Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 25 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Scattered showers tonight. Some patchy rain on Wednesday.

This Evening and Tonight:
Mostly cloudy with scattered showers persisting well into the night, some perhaps on the heavy side initially, especially over the Derbyshire hills. Becoming drier later, with clear spells developing from the north around dawn. Minimum temperature 6 deg C (43 deg F).

Wednesday:
Becoming cloudy after a sunny start, with outbreaks of mostly light rain spreading south during the afternoon. Drier by the evening, with the odd shower likely. Maximum temperature 16 deg C (61 deg F).

Outlook for Thursday to Saturday:
Becoming mostly cloudy after a sunny start on Thursday, with afternoon showers probable. Fog patches likely early on Friday but bright or sunny otherwise, particularly on Saturday. Becoming warm.
